

Lima Taekwondo & Martial Arts Academy

By studying Martial Arts, your child will learn not only physical training and discipline but mental training as well, skills they will need to be successful in school and in life.

The Limas are Masters Black Belts officially recognized by the World Taekwondo Federation (WTF). They had been involved in martial arts for over 30 years providing high quality instruction.

The Limas are also very proud parents of AYCKA LIMA, a 6th grade student at WESTCHESTER LUTHERAN SCHOOL.

All the classes will be personally directed by Master Christianny Lima and her very well trained staff.
