

DAY CARE REGISTRATION FORM
DUE SEPTEMBER 1, 2009

Our Day Care program is designed for working parents of those students enrolled in Westchester Lutheran School. This registration form will enroll your children in our morning or after school Day Care program which begins on Wednesday, Sept 9th. Please fill the form out **ONLY** if you want to enroll your child in regular use of the Day Care program. This form is **NOT** intended to be used for emergency (drop-in) purposes throughout the year.

Upon receipt of the completed registration form, we will expect your child to be in day care on the days and shifts indicated on the form. Day Care is notified by the office in case of absence due to illness. If your child is in school during the school day, we will expect him/her to be in Day Care as per the registration. Please notify the Day Care staff in writing of any special activities (choir, after school classes, Boy and Girl Scouts, etc.) that will take your child from Day Care. In order for your child to be properly supervised, it is essential that we know when he/she is to be in our care.

If you wish to register your child in the Day Care program, please complete the form below and turn it in to the office by **SEPTEMBER 1, 2009**. We must have these forms prior to the beginning of school in order to plan adequate staffing.
