GUITAR JAM!!

BE A REAL GUITAR HERO!

Do you have rock and roll dreams? Here's your chance to learn how to play a real acoustic guitar! Whether you've ever picked up a guitar or if you already have skills, our group guitar workshop is the ideal setting for both beginning to intermediate students. Students will learn the basics of chords, tabs, picking, strumming and music theory - the first steps into the musical journey of a lifetime. Parents will be invited to an informal jam session at the end of the term to see what their children have learned. **Students must provide their own acoustic guitar.**

Mondays 3:25 - 4:25 Gr. 1 -UP

ENCHANTED

Be there as "A Fairy Tale Comes To Life!"

Young actors are welcome to come join us and shine on stage performing scenes and songs from the hit movie Enchanted! This class has something for everyone, first timers and advancing performers alike. Discover the joys of acting, improv, voice and speech, theater games, choreography and dance! Develop self confidence and team spirit.

*Parents and friends of our students will be invited to enjoy a special workshop presentation. Although the performance is our goal, it's the process the students go through and the skills they take away with them that are the most important elements.

Fridays 3:25 - 4:25 Gr. 1 - UP

Kindergarten Acting

Fairy Tale Theater & Creative Movement

A fun and energetic class where children will learn to present individual characters while acting out their favorite fairy tales, explore creative movement with music, pantomime, theater games, vocal projection and more! This unique process will encourage shy children to come out of their shells and lead outgoing children to the next level of self-expression. This nurturing, non-competitive and innovative program is an excellent tool for parents to utilize while adjusting their kindergartner to the new world of elementary school.

Tuesdays 3:10 - 4:10 Gr. K
