

ANNUAL WLS BASKETBALL CAMP

THREE SESSIONS OF BASKETBALL CAMP OFFERED AT WESTCHESTER LUTHERAN THIS SUMMER

Session #1 – June 20-24

Session #2 - July 18-22

Session #3 – Aug. 22-26

**Classes meet at WLS from 9:30 – 3:00 p.m.
\$200.00 each session**

Program directed by Mr. Asberry is open to boys and girls of all levels of play. The goal will be to encourage children who have an interest in athletics to develop fundamental skills in a non-competitive way. You can invite your neighborhood friends to join you.

In clinic format, this class instructs students in shooting, passing, offensive moves, and dribbling. Offensive and defensive skills for game situations are also part of the curriculum. Taught by qualified coaches and students from the greater L.A. area, this camp promises to be fun and exciting. Campers will learn warm-up, stretching, and injury prevention techniques. They will take part in age specific station- to-station training and play scrimmages and games with comparable skilled players. Instruction is provided both individually and in a group setting. Bring lunch – snack provided.
