Exploration 2011

Welcome to the 26nd year of our mobile exploration of the greater Los Angeles area. Imagine hiking waterfalls and rock pools in the Santa Monica mountains, then venturing off to the cultural areas of Melrose and Chinatown. After this proceeding to the George Page museum and the La Brea Tar pits and ending up at the beach to sample the sun and surf of the City of Angels. This is Exploration.

Week 1

June 20: **Malibu Creek State Park** - Land of the Chumash. New Film site for MASH, Planet of the Apes, and rock pools.
